Summary of the Feedbacks from various stakeholders (2016-17)

The institution adopts the system of collecting feedback from its different stakeholders like Students, Alumni, Parents and Teachers in the form of the questionnaire on the facilities provided by the college for the academic and overall development of the students and also on the appropriateness of the curriculum/syllabus designed by the university and its successful implementation by the institution. A gist of the analysis of feedback is given below:

Feedback from Students

About Teaching-Learning process and Curriculum/Syllabus

- The students show the sense of satisfaction regarding the classroom transactions, teaching methodologies of teachers and method of continual evaluation adopted as one of the measures for better outcome and judge the level of understanding from time to time. They are satisfied about the study material, classroom transactions, subject knowledge of the teachers and the way the teachers render the help to study well. The overall feedback on the facilities and infrastructure in the campus is highly positive. The method of internal assessment is found useful by the students in their feedback.
- The overall feedback from students about the course and curriculum is satisfactory. Some students expressed that the difficulty level of the syllabus is high where as some other found it relevant. Mixed response is exhibited regarding the points such as the skill-based outcome of the syllabus, its traits of employability and building competence to compete at national and international platform. In the opinion of most of the students the syllabus helps them to become an ideal citizen of the nation.

Feedback from Alumni

About Teaching-Learning process in the college and Curriculum/Syllabus

- The alumni in their feedback shared their satisfaction with respect to the infrastructural facilities, effectiveness of teaching learning and evaluation process of the institution. Most of the students appreciated the role of teachers in their development. In their opinion the extension activities conducted in the college and facilities like games and sports help them for their overall personality development. About the fact that IQAC of the institution gives them encouragement about the effective implementation of the curriculum.
- Most of the alumni, regarding course/syllabus taught at UG and PG level, shared their positive response. Most of the students showed their positive response about the skill based structure of the syllabus, its employability base and making them competent to compete at national and international level. But some few students believed that the course is not up to the mark as far as employability and competence at national and international level is concerned.

Feedback from Teachers

About Teaching-Learning process in the college and Curriculum/Syllabus

- Some teachers found the syllabus wanting in some respects. However, most of the teachers showed overall satisfaction with respect to the structure of the syllabus designed by the university. They show their satisfaction regarding the method adopted by the institution of planning in advance for the effective delivery of the syllabus. All the teachers acknowledged the fact positively that the IQAC of the institution gives them encouragement about the effective implementation of the curriculum.

Feedback from Parents

About Teaching-Learning process in the college and Curriculum/Syllabus

- The parents through their feedback lauded the facilities and support provided by the college to the students. They opined that the entire staff members including teaching and non-teaching members are accessible and helpful in the institution. With regards to the career oriented and skill-based structure of the syllabus and the competence level of the curriculum in developing the students into ideal students enabling them to compete at national and international platform, the parents showed their positive response.
